

EDDINGTON

Historical Society

November 2024

Dear Friend,

Exciting things are happening at the Eddington Historical Society! We're building more than just a new structure—we're creating a space where the history of our town will come alive, a gathering place that celebrates our community's unique stories and serves future generations. ***And we'd love for you to be part of this journey.***

Since purchasing the land in 2021, we've been hard at work. The site is now cleared, and a new entrance and driveway were completed last year. With these foundations in place, we're ready to take the next big step: raising the funds needed to pour the foundation and put up the building. Fundraising began on [start date] with an ambitious goal of \$200,000, and thanks to the incredible support from our community, we've already raised [amount raised so far]. ***But to bring this vision fully to life, we need your help to reach the remaining [remaining amount needed].***

This building will be much more than a museum. It will house historical artifacts that tell Eddington's story, feature a small lending library, and offer a space for meetings, small events, and more. Your contribution will help create a vibrant community hub for residents and visitors alike—a place where we can come together to celebrate our shared heritage.

We invite you to join us in making this vision a reality. Whether you choose to contribute financially, offer services, or simply spread the word, ***your support will make a lasting difference.*** Together, we can create a place where history thrives and community connections grow strong.

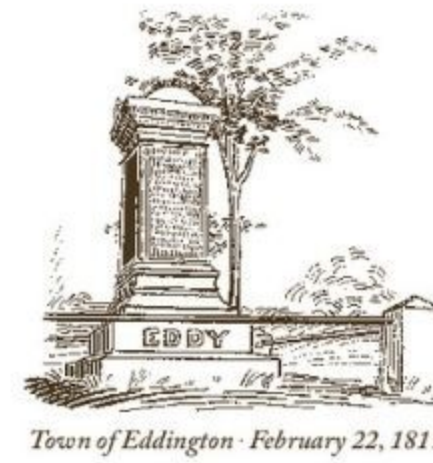

For more about EHS and the role we play in the community, please take a look at the enclosed brochure. It highlights our ongoing events, past special speakers, and a timeline of EHS's journey, all of which showcase our commitment to preserving Eddington's history and creating meaningful connections within our town.

Thank you for considering this opportunity to invest in Eddington's future. ***We look forward to partnering with you to make history!***

Warm regards,

Margaret Dougherty
